"We are honoured to have been invited to participate in RGN's annual gold issue for 2020, and pleased to share additional insights around the Barton Gold origin story and strategy as we move toward IPO, the restart of operations at Tarcoola's Perseverance Open Pit Mine, and future growth via development of the Tunkillia Project ~80km SE of Tarcoola.

We have made significant progress during 2020 and believe that we will continue to deliver exciting progress and news throughout the balance of this year and into the next."

ABOUT BARTON GOLD:

Barton Gold Pty Ltd is a privately held Australian gold acquisition and development company with a primary focus on low-capital-cost developments and optimisations of existing mines and processing infrastructure. Current projects include the restart of South Australia's high-grade Perseverance open pit gold mine at the Company's Tarcoola Project, and the subsequent development of the Tunkillia Gold Project. Tunkillia is South Australia's largest undeveloped gold-only Resource.

The Company's leadership and team include experienced natural resources investment and development professionals, and the Company's technical and execution capability are strengthened through its technical alliances with Australia's leading mine geology, mine engineering, and contract operations teams.
