Stage 2 Data Room

Barton Gold Pty Ltd (**Barton** or the **Company**) is pleased to announce that a Stage 2 Data Room has been opened for investors commencing detailed due diligence for ongoing equity and credit capital raising discussions.

Funds will advance development of Barton's South Australian (**SA**) asset package, chiefly an open pit mine with high grade extensions, SA's largest undeveloped gold-only Resource, and a functional infra / processing hub.

Access to a Stage 2 Data Room is available to investors following execution of the Company's standard Confidentiality Agreement, available to investors via the Company's Stage 1 Data Room or by request.

The Stage 2 Data Room provides a significantly expanded suite of information and data, including:

- Detailed profiles / CVs of key personnel and case studies on gold project analyses and optimisations from Barton's technical alliance partners Mining Plus (part of the global Byrnes Group of Companies);
- Corporate documentation for entities in the corporate structure;
- Extensive third-party reports on the Company's assets from leading technical consultancies;
- Detailed internal and external asset / exploration review and strategy documentation;
- Exploration and technical / processing / metallurgical databases;
- Previous Tarcoola (PFS and DFS) and Tunkillia (PFS) Feasibility Studies; and
- Detailed Legal / Tenement / Native Title / Approvals / Joint Ventures / Bonding information.

Cautionary Statement Regarding Values & Forward-Looking Information

The figures, valuations, forecasts, estimates, opinions and projections contained herein involve elements of subjective judgment and analysis and assumption. Barton does not accept any liability in relation to any such matters, or to inform the Recipient of any matter arising or coming to the company’s notice after the date of this document which may affect any matter referred to herein. Any opinions expressed in this material are subject to change without notice, including as a result of using different assumptions and criteria. This document may contain forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “seek”, “anticipate”, “believe”, “plan”, “expect”, and “intend” and statements that an event or result “may”, “will”, “should”, “could”, or “might” occur or be achieved and other similar expressions. Forward-looking information is subject to business, legal and economic risks and uncertainties and other factors that could cause actual results to differ materially from those contained in forward-looking statements. Such factors include, among other things, risks relating to property interests, the global economic climate, commodity prices, sovereign and legal risks, and environmental risks. Forward-looking statements are based upon estimates and opinions at the date the statements are made. Barton undertakes no obligation to update these forward-looking statements for events or circumstances that occur subsequent to such dates or to update or keep current any of the information contained herein. The Recipient should not place undue reliance upon forward-looking statements. Any estimates or projections as to events that may occur in the future (including projections of revenue, expense, net income and performance) are based upon the best judgment of Barton from information available as of the date of this document. There is no guarantee that any of these estimates or projections will be achieved. Actual results will vary from the projections and such variations may be material. Nothing contained herein is, or shall be relied upon as, a promise or representation as to the past or future. Barton, its affiliates, directors, employees and/or agents expressly disclaim any and all liability relating or resulting from the use of all or any part of this document or any of the information contained herein.
